

## Health and Beauty Advice

BY MRS. MAE MARTYN

**Katie:** I advise you to use this formula for a hair-cream, because to my personal knowledge it does more for the hair and scalp than anything else and is easy to make: Into 1/2 pint alcohol pour 1 ounce quinine and add 1/2 pint water. This quinine tonic quickly stops the itching and cures the dandruff and is soothing to a sore or tender scalp. The regular use of this inexpensive tonic corrects dry, scaly conditions or excessive oiliness, because it removes the scales and hair-scales healthy; and to dull, brittle, faded hair will give a brilliancy and softness, as well as restore the former color. For best results it is well to shampoo with cantharox. (See answer to "Lella.")

**Mabel P. A:** A thick paste made of dandelion and water and applied to those hairs for 2 or 3 minutes will entirely dissolve them. After the dandelion has removed the skin should be washed and dried. This is quick, harmless and in no way mars the delicate complexion. You must, however, be sure it is dandelion you get.

**Bertha:** Yes, exercise and dieting sometimes reduce your weight. An easier and better way is to dissolve the unnecessary fat-tissues with the aid of the paraffin treatment. This reducer is made by adding 4 ounces paraffin to 1 1/2 pints hot water. When it cools, take one tablespoonful of this cream each day. Keep up the paraffin treatment regularly, and in a short while you will have got rid of the annoying fat and your figure will be gracefully plump and tightly proportioned, and the skin will be tight and smooth.

**Laura:** Your dull eyes will take on a delightful sparkle and expression when 2 or 3 drops of a crystal tonic are put in them daily for awhile. It is an old-fashioned and very economical remedy which also soothes the burning and relieves the itching after one or two applications. It is simply a saturated solution of borax. To prepare, dissolve an ounce crystals in 1 pint cold, clear water and it is ready. It is absolutely harmless under all conditions.

**Lella:** In a case like yours, where the scalp is so sensitive, I should use the cantharox and dissolve a teaspoonful in a cup of hot water and your shampoo is ready. You will find cantharox shampoo very beneficial, because they remove every trace of dust, dandruff, excess oil and leave the scalp and hair-roots healthy and vigorous.

**Zoe:** Loss of appetite and that bilious cast to your skin plainly indicate a derangement of your liver and kidneys. Prepare this excellent and inexpensive tonic and take a tablespoonful three times a day: Into 1/2 pint of alcohol put 1 ounce quinine and dissolve in it to this add 1/2 cupful sugar, then hot water to make a quart. This tonic will quickly correct liver and kidney troubles, and as a blood-purifier and system-tonic it has no equal. It is also greatly beneficial to people suffering from lack of vitality, and its regular use will give to a blotchy, sunken skin a rich color, healthy and delightful clearness.

**Dorothy:** It is a pleasure to know that you are so well pleased with quinine as a hair-cream. I have great faith in a spumax lotion, because it is far superior to powder and will surely overcome the shiny, "muddy" condition of your skin. Just get 4 ounces spumax from your drug store and dissolve it in 1/2 pint witch hazel or hot water, and add 2 teaspoonfuls glycerine. When the spumax lotion is on it cannot be detected, and it lends an exquisite rose-tint and youthful charm to the complexion. To prepare, simply add a little of this quinine tonic to your spumax. It is especially nice for tan and freckles.

**Corra H.:** To remove wrinkles, I use this purely vegetable product, which I make at home. It is unlike creams containing animal fats and massage cream, for it does not make the skin loose. Just dissolve an ounce of alcohol, which you can get from any druggist, in 1/2 pint cold water and add 2 teaspoonfuls of glycerine. Stir and let stand for one hour. To prepare, simply apply a thick coat of this cream-glycerine and leave on overnight. This product will remove all the wrinkles and give the skin a new texture. In the morning wash with soap and water, and massage thoroughly with more of the cream. It makes the skin soft and velvety, while the glycerine in reducing large pores.

## Society

In the quiet little Episcopal Church in Middleburg, Fauquier County, yesterday afternoon at 1 o'clock, one of the most beautiful weddings of late June took place, and one of the most interesting to fashionable society all over Virginia and Maryland. Miss Louise Triplett Haxall, youngest daughter of Mr. and Mrs. William Haxall, of "Exmington," near Middleburg, was married to James Morrison Harris, son of Mr. and Mrs. W. H. Harris, of Baltimore. Rev. A. Stewart Gibson performed the ceremony in Emanuel Church. The bride's gown was of white crepe, fashioned with old lace, and her veil was of old lace. She carried a shower bouquet of lilies of the valley. The maid of honor, Miss Anne Haxall Burley, wore a lustrous frock and carried a basket of old-fashioned garden flowers. The bridesmaids, Misses Katherine Knight Barton, Emily List Warner, Rose Gordon, and Lisa Blair Atkinson, wore charming dresses of embroidered white mull, with sapphire blue sashes and black hats, and carried old-fashioned garden flowers arranged in bouquets of blue and gold. W. H. Harris was his son's best man, and the groomsmen were W. H. Harris, Jr., H. Patterson Harris, Francis N. Ishart, Charles McCarty Buchanan, Charles Kuhn Harrison, Holling Walker Haxall, Jr., Montgomery Harris and John Henry Sherburne. A small luncheon was given immediately after the ceremony, in the home of the bride, "Exmington." Only relatives and a few intimate friends were invited, on account of mourning in the family.

**Virginia in Canada.** The presence of the New York Bankers' convention, held at Ottawa, Canada, from June 11 to June 13, prompted many interesting events in Ottawa so far, none of which was more prominent than the dinner given at the residence of the convention in honor of the President of the convention.
